Pains Were Terrific

Read how Mrs. Albert Gregory, of R. F. D. No. 1, Blufford, Ill., got rid of her ills. "During... I was awfully weak... My pains were terrific. I thought I would die. The bearing-down pains were actually so severe I could not stand the pressure of my hands on the lower part of my stomach... I simply felt as if life was for but a short time. My husband was worried... One evening, while reading the Birthday Almanac, he came across a case similar to mine, and went straight for some Cardui for me to try."

"I took it faithfully and the results were immediate," adds Mrs. Gregory. "I continued to get better, all my ills left me, and I went through... with no further trouble. My baby was fat and strong, and myself—thank God—am once more hale and hearty, can walk miles, do my work, though 44 years old, feel like a new person. All I owe to Cardui." For many years Cardui has been found helpful in building up the system when run down by disorders peculiar to women.

Oil of Nutmeg from the East Indies

"A taste and an aroma naught else can duplicate."

THE BANDA ISLANDS of the Dutch East Indies supply the world with nutmegs. This kitchen necessity is the dried stone of the peach-like fruit of a most remarkable tree. Each tree bears three crops a year for sixty years.

FROM nutmegs is distilled the Oil of Nutmeg, recognized by the U. S. Dispensatory, our National authority on drugs, as a valuable aromatic and stimulant.

Vicks VapoRub combines the volatile oils of Nutmeg, Eucalyptus, Thyme and Turpentine with Camphor and Menthol into a penetrating, stimulating, vaporizing salve. When applied over the throat and chest, healing vapors are released by the body heat and inhaled with each breath.

Vicks has become the favorite home treatment for croup, sore throat, bronchitis and catarrh. It is equally useful for sprains, burns, cuts, bruises, skin eruptions and various bodily pains.
